

DUTY QUICK REFERENCE ELIGIBILITY CRITERIA

INCLUSION CRITERIA

PLEASE EXCLUDE IF “**No**” IS ANSWERED TO ANY OF THE FOLLOWING:

Aged before their fifth birthday?	Yes/No
Acute illness ≤ 28 days?	Yes/No
First time in DUTY study?	Yes/No
Ability of parent/carer to understand & give informed consent?	Yes/No
Does the child have any urinary tract or constitutional symptoms? <i>Answer Yes to at least one of the screening questions to be eligible:</i>	Yes/No
1. Has the child been generally unwell (e.g. fever/feeling hot, generally not right, tired, irritable, crying more than usual, recently “failing to thrive”)?	Yes/No
2. Has the child had abdominal/loin pain or colic or vomiting or not eating/feeding as normal?	Yes/No
3. Has the child “not been themselves” (e.g. clingy; not interested in what’s going on; not playing well; low energy/tired; sleeping more or less than usual; irritable or not settling; crying more than usual)?	Yes/No
4. Has the child had any changes relating to passing urine (e.g. pain, changes in frequency, changes in continence, changes in urine smell or appearance or blood noticed)?	Yes/No

EXCLUSION CRITERIA

PLEASE EXCLUDE IF “**Yes**” IS ANSWERED TO ANY OF THE FOLLOWING:

Recently (≤ 28 days) or currently in any research study?	Yes/No
Presenting with trauma/injury as the predominant concern?	Yes/No
Has taken oral or IV/IM antibiotics in the past 7 days (use of topical antibiotics does not exclude participation)?	Yes/No
Currently taking systemic oral/IV or IM steroids (prednisolone or dexamethasone) for ≥ 2 weeks (inhaled steroids are acceptable)?	Yes/No
Currently or recently (≤ 28 days) on chemotherapy or other immunosuppression (e.g. anti-rejection medications following renal transplant)?	Yes/No
Current use of urinary catheter (including intermittent use within past month)?	Yes/No
Previous bladder surgery?	Yes/No
Spina bifida or Neurogenic Bladder?	Yes/No
Due to laboratory transport pick up times, urine sample would not have reached lab in the next 24 hours (e.g. Friday afternoon in GP surgeries)?	Yes/No
A+E ONLY – Children who present to A+E as a direct result of a GP referral	Yes/No
